VETiS is meant to address areas of need in particular job areas.		
Cert III in Aviation no longer attracts VETiS funding but we don't know		
what is going to still be supported.		
We are hoping changes won't come in until 2027.		
WVSHS has added 2 new courses to our scope – Cert II in Sampling and		
Measurement and Cert II in Financial Services. This means that we could		
offer these in 2026 if the changes go ahead.		
Principal asked for feedback from the students on the four day senior		
structure. Feedback was positive in that it provided students more time		
to complete their assessment and prevented burn out in peak times.		
Discussion about students taking days off to complete assessment.

Feedback is that this still happens but not as much – more so for the students who still do 5 days Eg Music and Art.  Parent perspective was that it was helpful to have the extra day to do assessment and to give them a break.  Principal will keep School Council updated with any changes.  Principal shared achievement data  Principal highlighted the behaviour results – vast majority of students are C or higher. Item 1	Japanese Tour 2026	
	Sean Harmer HOD of Humanities/Languages presented a proposal to	
	undertake a tour to Japan in 2026.	
	Feedback from the 2024 tour included long days, travelling from one side	
	of a city to another, moving from city to city and that the itinierary was a	
	little crowded. This feedback informed the proposed itinerary.	
	See attached itinerary.	
	Proposal is that the tour will be for 20 students and 3 teachers with an	
	approximate cost of \$4,700 per student.	
	Question on cost for teachers. For every 10 students one teacher is free.	
	The cost is included in the students' fee. The school funds one teacher	
	from the money raised by our Adachi tour.	
	Principal put forward the motion to formally endorse the 2026 Study Tour	
	to Japan
