Item 1	Finalised 2026 AIP – see distributed copy		
Item 2	Gym as a long term future upgrade project Principal has spoken to Melissa McMahon and we may need to spend some money to engage with externals to scope up a design to have ready Needs to be a bigger space to have play full court sports Gym floor will need to be replaced at some point in the future. School has purchased as many spares tiles as possible to tide us over Will need to consider if there is enough space at the current footprint to expand enough		
General Business	P&C versus a School Council Main difference is that the School Council does not do any fundraising Other information shared is very similar
