What's happening

Learning Continuity Planning

Supporting teachers and students to connect and continue learning during school closures or disruptions. Learning continuity planning has information you need for moving your classroom online and working with school colleagues.

Departmental websites and applications issues with Chrome v80

Staff, students and the public using un-managed devices (e.g. non-MOE, BYOX and personal) will have issues accessing some departmental applications and websites using Google Chrome v80. The department is working with Google to resolve these browser issues introduced by the new version upgrade.
