

Website List Register

The use of web - based educational resources has risen steadily over the last decade and they are increasingly being used by teachers across Queensland to improve student learning outcomes. At Windaroo Valley State High School, we wish to utilise third party, web - based service providers to aid student learning. A full list of third party, web - based service providers currently in use is outlined below. The school may add to the list of providers at any time and will be kept up to date and available for review.
